Such a beautiful day at the Tech Zone!

Yeah!

CONEBOY

I wish it was this beautiful at the Industrial Zone!

SPOTTIE

(optimistic)

Maybe one day it will be!

CONEBOY

It probably never will, since, well, the factories, ya get me?

SPOTTIE

Oh right...

AVERY

So, what snacks did you bring, Coneboy?

CONEBOY

Hm... I brought...

CUT TO:

Medium shot of Spottie and Avery. Beat for a bit.

CONEBOY (CONT., O.S.)

Uh... I'm sorry, but I forgot to bring the food! Stupid me!

AVERY
(annoyed)
Ugh!

SPOTTIE
(optimistic)

Avery, relax. We can always find food at the Food Zone!

AVERY
Oh, stupid me!

CUT TO:

Medium shot of Coneboy.

CONEBOY
(warning his friends)

I'm going to stay here, girls. I heard there's some dangerous creatures over there currently...

Spottie and Avery are unsure whenever to go at the Food Zone.

CUT TO:

CRiTOPiA!

AVERY

I heard the crunchy section has some of the yummiest and most
awesome foods out there!

A weird glitch sound is heard. Spottie and Avery are startled.

SPOTTIE

(shocked)

Oh no. Stupid me!

AVERY

(confused)

Wait, what?

SPOTTIE

(scared)

We gotta get out of here now!

The glitch sound is heard again. The screen turns black.

QUIRKO

Need to go somewhere? I've got you covered!

EXT. FOOD ZONE

Quirko transports Coneboy to the Food Zone. Coneboy jumps out.

CONEBOY

Thanks, Quirko!

QUIRKO

No problem!

Quirko teleports away.

CONEBOY

(cautious)

Alright, Spottie and Avery... where are you?

Glitch sounds are heard again.

A V-A ViRUS approaches Coneboy.

CONEBOY

(bravely)

I'm not afraid of you!

Coneboy looks confident.

CONEBOY

There! Pesky little ViRUSES don't stand a chance against **ME!**

Crazier glitch sounds are heard. Coneboy is now scared. Two mysterious figures approach. Only their shadows are shown.

CONEBOY

(sarcastic)

Those ViRUSES must really love to ruin the fun.

Screen turns black. Loud glitching noises are heard.

FADE TO:

EXT. FOOD ZONE

EGGY is taking a nap in a nest. The loud glitching noises are heard once again, which wakes Eggy up. He puts on some headphones and falls back asleep.

AVERY (O.S.)
(broken grammar)
Find CRiTORA infect!

Eggy wakes up, startled. He jumps out of the nest and runs away.

CUT TO:

Eggy is hiding behind a giant watermelon. He looks around and sees nothing. He smiles. The camera moves and Avery, now corrupted by the ViRUSES, is beside him. Eggy notices her.

AVERY
(broken grammar, sarcastic)
Friend hello.

CUT TO:

Eggy is running away from V-Avery. V-Avery gets closer to him.

CUT TO:

The ViRUSES are sitting on chairs, eating popcorn. V-Avery continues to chase Eggy.

CONEBOY (O.S.)
(broken grammar, angry)
You caught! Ha!

CUT TO:

Medium shot of V-Coneboy

CONEBOY
(broken grammar, angry)
No escape! Ha!

V-Coneboy leaps in the air, offscreen. He lands down in his inanimate form, with a fuse.

CUT TO:

Close up of V-Coneboy's fuse. It is close to reaching the end..

CUT TO:

Shot of Eggy and V-Coneboy. Eggy finally manages to let go of his foot and runs away. V-Coneboy's fuse reaches the end and

explodes, with the words "BOOM!" appearing, but V-Coneboy is covered in ash.

CONEBOY

(broken grammar, sarcastic)

Stupid me.

CUT TO:

EXT. TECH ZONE

Eggy looks tired. He sits down and breathes in and out. Suddenly, a blast of glitchy water is blasted.

CUT TO:

Spottie, also infected. Medium shot.

SPOTTIE

(broken grammar, annoyed)

Bye good, Eggy.

V-Spottie fires another blast of glitchy water.

CUT TO:

Eggy dodges the water blast. Two more blasts of water are shot, but Eggy manages to avoid them.

CUT TO:

Medium shot of V-Spottie.

SPOTTIE

(broken grammar, angry)

Huh?! You avoid attack!? This try?!

CUT TO:

Eggy pupils shrink. A massive blast of water is fired. In slowmotion, Eggy barely manages to avoid the blast of water and runs away.

EXT. FOOD ZONE

The ViRUSES. A red-blue-yellow-green cannonball is blasted towards them, sending them flying into the sky.

CUT TO:

The ViRUSES are blasted into the sky, Team Rocket-style. Quirko appears.

QUIRKO

And that's why ViRUSES should never visit CRiTOPiA!

CUT TO:

EXT. TECH ZONE

The V-CRiTORA. The screen fades to white. Spottie, Coneboy, and Avery return back to normal.

AVERY

(confused)

What happened?

Well it was stupid for Avery and I not to listen to you.

The three notice Eggy.

SPOTTIE (CONT.)

Eggy?

CUT TO:

Eggy has his back turned towards the CRiTORA.

CONEBOY (O.S.)

We're not going to hurt ya, buddy!

Spottie, Coneboy, and Avery.

SPOTTIE

(cheerful)

We're back to normal!

AVERY
(cheerful)
Yeah!

CONEBOY
Hey, wanna help us find some food?

Eggy nods in a yes manner.

CUT TO:

The four CRiTORA.

CUT TO:

SPOTTIE

Let's go!

AVERY
But how will we get to the Food Zone?

Quirko appears.
